PRESIDENT'S MESSAGE

Lions,

I know everyone that was lucky enough to know Doc has a great story to tell, I want to share mine.

One warm summer day when Frank and I first got into the cattle business I walked into my back corral. There lying on the ground was one of our cows. Appearing to really be suffering and dying I was in shock as to what to do. Frank suggested I call Doc. About 30 minutes pasted and Doc shows up. I show him the cow thinking he was going to go to his high tech veterinary medicine box and get a magical dose of some new drug out and revive our poor dying cow. Doc says 'grab her tail and I'll take her head, we need to get her up!' After we got her up he says 'that will be \$40' I said to him in shock 'what was wrong with her' and he says 'sometimes cows lay down and can't get back up and when that happens they will bloat and die'.

The best \$40 dollar lesson I've ever had!

"No really great man ever thought himself so."

NEXT MEETING

Lion Dave and his wife, Vicki, will be providing the hospitality for our next meeting. The food is always great and it is a fun time. Our speaker will be Steve Kenell, Director of O.I.D. He will be speaking about the "Save the Stan" project.

LAST MEETING

Our annual Family Picnic was held at the last meeting. Thanks to some cooler weather the turn out was pretty good. As always, the food was terrific. We have some very good cooks in the Club. And everyone loves hamburgers and hot dogs. Thanks to all of the cooks and to everyone who attended and made it a success.

CELEBRATION OF LIFE

A celebration of life for Lion Doc Dorius will be held at The Reata on Sunday, July 18 from 4:00 pm to 8:00 pm. Followed by a toast at the H-B Saloon. Everyone is invited to attend to honor Lion Doc. If you want to bring food, please make it "finger" food in a disposable container and deliver it to The Reata between 10:00 am and 2:00 pm.
