## PRESIDENT'S MESSAGE

Lions,

I am writing this **before** my first full meeting (Lion Clem's) because I will be in Alaska with Lion Frank trying to lower the Salmon and Halibut population (as Lion Richard puts it). And I won't be available to write it before this is sent out. I know, I know, a trip is a fine, so the first person that reminds me at the meeting might wins a Halibut steak. Wow, I think I just increased the attendance of the meeting!!

So, I'm assuming we had a wonderful meeting and because Lion Frank was smoking tri-tip, the food was awesome!

My phrase of the week;

'Be a good listener, your ears will never get you in trouble'

As much as I think all of you are great at listening, it's always good to self-diagnose. 'How can I be a better person?' I know I'm guilty of not being a good listener sometimes!

Lion President

Dan Casey

## NEXT MEETING

Our next meeting is the annual Family Picnic on July 8 at Kerr Park. This is a potluck with the Club furnishing the hot dogs and hamburgers. 1st column on the Club Directory will bring a dessert, 2nd column will bring a salad and the 3rd column will bring a hot dish. This is always a good time. Bring you family and friends and enjoy the food and fun.

## LAST MEETING

Hope everyone had a great time at Lion Clem's last meeting. Our thanks go out to he and Pat for their hospitality. As always the food was superb. What a great program. We learned a lot about each other and our experiences with Lionism.

## LION DOC DORIUS

As most of you know, Lion Doc Dorius is in the hospital. He is a HyLond Convalescent Hospital, Room 10, on Coffee Rd. in Modesto just north of Memorial Medical Center. We all send him our thoughts, prayers and affection.
